<input checked="" type="checkbox"/>	 <b>Academic OneFile</b> 1980 - JUL, 2013 Academic OneFile is the premier source for peer-reviewed, full-text articles from physical sciences, technology, medicine, social sciences, the arts, theology, literature and other subjects. Academic OneFile is both searchable and comprehensive. With millions of articles available in both PDF and HTML full-text with no restrictions, researchers are able to find accurate information quickly. Includes full-text coverage of the <i>New York Times</i> back to 1995. Updated daily.	
<input checked="" type="checkbox"/>	 <b>Gale Virtual Reference Library</b> Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials once were accessible only in the library, but now you can access them online from the library or remotely 24/7. Because each library creates its own eBook collection, the content you see may vary if you use the database at different libraries (your school, your public library, or your office).
